**2022 SUMMER INTENSIVE TRAINING INSTITUTE  
JULY 21-24, 2022  
HILTON/WHARF HOTEL \* WASHINGTON, DC**

**THEME:** Building a Minority Workforce: A Call to Action for Addressing Health Disparities and Creating Health Equity

**OBJECTIVES:**

Upon completion of the SAMHSA MFP/ANA 2022 Summer Intensive Training Institute Fellows will:

1. Define Health Equity, why it matters, and its importance to psychiatric mental health care.
2. Describe the importance and benefits of minority psychiatric mental health nurse leadership in creating health equity for underserved and poorly served populations
3. Discuss how minority psychiatric mental health nurses at the master's and doctoral levels contribute to advancing health equity in clinical practice, scholarship (research/evidence-based practice), education, and health policy.
4. Name at least three strategies that will allow for achieving work-life balance while pursuing professional and personal goals.
5. Create and actively engage in a Call-to-Action in an area selected from the 2022 Summer Intensive Training Institute.
