Nichols, L. A., Baker, M., Parker, J. G., Warne, B., and DeHozy, C. (2003). Pathways to Leadership. The Pathways curriculum consists of nine modules of which six are non-Indian nurse leadership content and three contain Indian nurse leadership content. The non-Indian modules cover the following topics: 1) Knowing Self, 2) Personal and Professional Communication and Mentoring, 3) Group Process, 4) Decision-Making, 5) Change Process, and 6) Being a Futurist. The Indian modules cover the following topics: 7) Being a Leader in the Indian Way, 8) Indian Nursing and Tribal Sovereignty, and 9) Indian Nursing and Indian Health Programs. Developed for Indian Health Service, Arizona State University College of Nursing ASUN project, and National Alaska Native American Indian Nursing Association. Funding from the Department of Human Services Nursing Education for Individuals from Disadvantaged Backgrounds and Indian Health Service.
