Save the Date: Minority Fellowship Program 50th Anniversary Celebration

Please join the Substance Abuse and Mental Health Services Administration (SAMHSA) for ***Overcoming, Achieving and Soaring: Celebrating 50 Years of the Minority Fellowship Program*** (MFP). This hybrid event will be held **June 8, 2023!** The MFP aims to reduce health disparities and improve behavioral health care outcomes for racial and ethnic populations.

The event will feature:

- Emerging and promising practices, innovations, and lessons learned within and across grantees and fellows.
- Grantee and fellow successes and innovative contributions to the field.
- Recognition of the 50th Anniversary of the Minority Fellowship Program.

Additional information regarding the agenda, registration, and more will be provided during the coming weeks. Get ready for a great experience to learn, share, network, and celebrate 50 years of the MFP. Please direct questions to the Minority Fellowship Coordinating Center at mfpc@mayatech.com.
