

NURSING FACULTY POSITIONS AT CLEMSON UNIVERSITY

Position: Open Rank Professor
Location: Greenville, South Carolina
Specialty Area: Mental Health Nursing

The Clemson University School of Nursing is seeking new faculty members for an expanding academic unit committed to research and undergraduate/graduate education.

FACULTY ROLE: Seek grant funding and maintain a program of scholarly research. Teaching in undergraduate, graduate nursing programs in the specialty area of Mental Health.

RESPONSIBILITIES:

- Research, scholarship, and grant writing
- Classroom and clinical instruction
- Participation on departmental and university committees
- Student advising and additional faculty responsibilities

QUALIFICATIONS: Candidates should hold an earned doctorate in Nursing or related field and a beginning or established program of research; must have a background in Mental Health Nursing. A record of successful teaching in higher education is expected. Candidates must be eligible for RN licensure in South Carolina and national board certification in their specialty. This is a full-time, 9-month tenure/tenure-track appointment.

Clemson University is an Affirmative Action/Equal Opportunity employer and does not discriminate against individuals or groups based on age, color, disability, gender, national origin, race, religion, sexual orientation, veteran status, or genetic information. Clemson University and the School of Nursing is a diverse community of scholars dedicated to addressing challenges facing South Carolina, the nation and the world in the 21st century. The School of Nursing strongly encourages applications from candidates from underrepresented groups.

RANK & SALARY: Positions open for tenure track and tenured faculty: Assistant, Associate, and Full Professor. Salary commensurate with qualifications.

TO APPLY: Review of applications begins immediately with an intended start date of January 2020. Interested individuals may apply via <https://www.clemson.edu/employment/FacultyCareers/>. Questions regarding available positions may be directed to:
